She stated she is very frustrated and upset and wants answers. She was told that this will be looked into further and she should expect a call.

2. James Lewis, American Legion Post 536. Mr. Lewis was advised that the current Parks and Recreation building is the County Tourism building and we cannot rent it out.

3. Fred Mitchell, Walstonburg. Mr. Mitchell asked what are the requirements for a department head and what constitutes a resident of the county. The county attorney advised there is no stipulation on the number of nights a resident of the county must stay in the county and that it is a state of mind. Mr. Mitchell said that he spoke to an attorney in Durham and he was told that there is stipulation to be considered a resident you have to stay so many nights a week at said residence for it to be considered a residence. Mr. Parker said if a person pays rent, taxes and votes in said county they are considered a resident. Mr. Mitchell asked if someone's contract with the county states they must reside in the county does that mean on a full time basis. Mr. Parker the county attorney said if Mr. Mitchell is referring to the County Managers contract this was discussed before and it was noted at that time that Mr. DeHaven meets the guidelines of his contract.
