Dear Prospective Vendor:

In order to become a vendor with Greene County, we require certain information about you or your company. This information will be used to create a vendor record of you or your company in our financial system. Your vendor record must be entered into the financial system before we can issue purchasing documents such as purchase orders and contracts to your company or make any payments to you for goods or services.

Vendor enrollment requires the completion and submission of an IRS Form W-9 to the Finance Office. Please fill out this form completely and accurately; inaccuracies could result in non-approval by Greene County and a delay in processing of your transactions in our financial system.
