Process for Mobile Home Owners

REQUIRED PAPERWORK FOR MOBILE HOME PERMITS

1. Zoning Permit (GIS Office – (252)-747-4398)
2. Health Permit (Environmental Health – (252)-747-8183)
3. Completed application (Building Inspections – (252)-747-4019)
4. Set-up sheet filled out by set-up contractor

After obtaining above paperwork – give to your NC licensed set-up contractor so the individual can obtain Building Permit.

COST OF PERMITS & WHO OBTAINS THEM

- | | |
|----------------------|--------------------------------------------------------------------------------------------------------------------------|
| 1. Building Permit | \$150.00 (licensed set-up contractor) - single wide \$200.00 (licensed set-up contractor) - double wide |
| 2. Plumbing Permit | \$50.00 (licensed plumbing contractor) |
| 3. Electrical Permit | \$55.00 (licensed electrical contractor) \$30.00 (licensed electrical contractor if wiring AC) |
| 4. Mechanical Permit | \$50.00 (licensed AC/Heating contractor) |

*If you own the mobile home, own the land and you are going to live in the mobile home, you are eligible to purchase the Plumbing, Mechanical and Electrical permits only. A licensed set-up contractor always must obtain the Building permit.
