

You're Not Alone

Dementia Support Group

Featuring Dementia Live® Training

October 15th
5:30 PM – 6:30 PM

Dementia Live® is an immersive training experience that helps individuals better understand what dementia may feel like to someone living with it.

Join us for a meaningful evening of learning, empathy, and support. This session is designed for caregivers, family members, and loved ones who want to better understand the dementia journey.

All are welcome.
